This is a partial listing of awards made by the Office of Acquisition and Grants (OAG). It represents the most frequently requested information from vendors interested in doing business with SSA. This is not a complete list of all contracts awarded by OAG. This list does not include: modifications, delivery orders, and task orders against the Social Security Administration (SSA) contracts; or calls and orders against blanket purchase agreements. We sorted the list by product or service area and listed the contractors in alphabetical order.
